Overall Length:

44.000 inches

Overall Width:

22.000 inches

Material Thickness:

0.040 inches

Aircraft Location:

Fwd nlg gear door assembly

Aircraft Station Number:

288.13 to 330.00

Aircraft Mission Design Series:

C-141

Special Features:

Ht tr t6; nha 3f20003; opp -161

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-287 t0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
