**Aircraft Location:**

Center cargo door installation

**Aircraft Mission Design Series:**

E-3a

**Special Features:**

Stock bac1509-100144 by 120.2 in; extruded; finish srf-2.30

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-200/3 t3511 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
