Overall Length:

40.000 inches

Overall Width:

19.000 inches

Material Thickness:

3.900 inches

Side For Which Designed:

Left side

Aircraft Location:

No.4

Aircraft Mission Design Series:

F-111a, d, e, f, ef

Special Features:

T6 and honeycomb core; provides lift and drag on takeoff and landing

Material:

Aluminum alloy 2024

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
