Overall Length:

40.000 inches

Overall Width:

19.000 inches

Material Thickness:

3.900 inches

Aircraft Mission Design Series:

F-111b, a, c

Special Features:

T6 and honeycomb core; provides aerodynamic lift and drag during takeoff and landing

Material:

Aluminum alloy 2024

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
