Overall Length:

61.000 inches

Overall Width:

22.000 inches

Material Thickness:

6.000 inches

Side For Which Designed:

Right side

Aircraft Location:

Flap, wing, no 3

Aircraft Mission Design Series:

F-111

Special Features:

Provides lift and drag at takeoff and landing; t6, honeycomb core

Material:

Aluminum alloy 2024

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
