Overall Length:

10.000 inches

Overall Width:

2.000 inches

Material Thickness:

0.312 inches

Aircraft Location:

Inbd longeron strap

Aircraft Station Number:

BI38.500

Aircraft Mission Design Series:

C-141a/c

Special Features:

Nha3w11008; ctr wing

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-283-t651 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
