Overall Length:

2.900 inches

Overall Width:

1.100 inches

Material Thickness:

0.063 inches

Aircraft Location:

Missile launcher well shear web

Aircraft Mission Design Series:

F-15

Special Features:

Nha -1005

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
