Overall Length:

13.500 inches

Overall Width:

7.900 inches

Material Thickness:

0.050 inches

Aircraft Location:

Inbd I.E. Wing intercostal

Aircraft Mission Design Series:

F-15

Special Features:

Nha -1001

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 cond 0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
