Overall Length:

2.800 inches

Overall Width:

1.650 inches

Material Thickness:

0.625 inches

Aircraft Location:

Front spar spacer

Aircraft Mission Design Series:

F-15

Special Features:

Opposite -2034

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 t851 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
