**Overall Length:**

3.760 inches

**Overall Width:**

2.600 inches

**Aircraft Location:**

Fuselage

**Aircraft Mission Design Series:**

F-15

**Special Features:**

Supports-flexible tube actuator

**Height:**

1.250 inches

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-225/9, cond t7351 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
