Overall Length:

37.000 inches

Overall Width:

4.000 inches

Material Thickness:

0.032 inches

Aircraft Location:

Forward fairing

Aircraft Mission Design Series:

C-135

Special Features:

Finish srf2.115; nha 65-10609

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
