Overall Length:

30.000 inches

Overall Width:

10.000 inches

Material Thickness:

0.090 inches

Aircraft Location:

Lwr outbd duct

Aircraft Mission Design Series:

B-52

Special Features:

Nha 35-8243

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-355 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
