**Fabrication Method:**

Machined

**Aircraft Location:**

Main landing gear actuator

**Aircraft Mission Design Series:**

C-141

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-225/10, cond t81 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11500
