Fabrication Method:

Machined

Aircraft Location:

Main landing gear actuator

Aircraft Mission Design Series:

C-141

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/10, cond t81 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
