Overall Length:

9.200 inches

Overall Width:

4.500 inches

Material Thickness:

0.032 inches

End Application:

1520-01-020-4216

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
