Material Thickness:

0.040 inches

Aircraft Location:

Aft ramp

Aircraft Mission Design Series:

C-5b

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
