Overall Length:

17.000 inches

Overall Width:

3.000 inches

Material Thickness:

0.625 inches

Aircraft Location:

Aft ramp

Aircraft Mission Design Series:

C-5b

Special Features:

Connector-rail outbd

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
