Aircraft Location:

Vertical stabilizer

Aircraft Station Number:

Rud sta 261.015 to 284.014

Aircraft Mission Design Series:

C-5b

Special Features:

Panel assembly-shroud, access, vertical stabilizer

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
