**Aircraft Location:**

Inboard pylon

**Aircraft Mission Design Series:**

C-5b

**Special Features:**

Panel assembly-access, aft fairing, inboard pylon

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250/13 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11700
