Overall Length:

13.938 inches

Overall Width:

21.000 inches

Material Thickness:

0.135 inches

Hole Quantity:

9

Side For Which Designed:

Right side

Aircraft Location:

Forward section

Aircraft Mission Design Series:

Hu-25a

Special Features:

Aircraft model hu25a environmental control unit, rh

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11800
