Overall Length:

5.900 inches

Overall Width:

5.140 inches

Aircraft Location:

Foam block, auxiliary fuel tank

Aircraft Mission Design Series:

F-15

Material:

Plastic polyurethane

Material Specification:

Hh-i-530, type i, grade 2, class 1 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
