Overall Length:

19.500 inches

Overall Width:

13.000 inches

Material Thickness:

0.090 inches

Aircraft Location:

Fuselage

Aircraft Station Number:

Fs327.32

Aircraft Mission Design Series:

T-37b

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-367 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
