Overall Length:

25.260 inches

Aircraft Location:

Fuselage station

Aircraft Station Number:

Fs504.66

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-277 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
