**Overall Length:**

6.640 inches

**Overall Width:**

2.100 inches

**Material Thickness:**

1.960 inches

**Aircraft Location:**

Fuel tank no.1

**Aircraft Mission Design Series:**

F-15c/d acft

**Special Features:**

Unicellular polyethelene

**Material:**

Plastic polyethylene

**Material Specification:**

Ppp-1752 type iv class 2 uncellular, flexible federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
