**Securing Device Type:**

Threaded fastener

**Mounting Opening Shape Style:**

Unthreaded hole

**Special Features:**

Dummy radome, aspj, forward receive

**Material:**

Aluminum alloy 356.0

**Material Specification:**

Ams4218, t61 national specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A531h0
