Fabrication Method:

Cast

Side For Which Designed:

Left side

Aircraft Location:

Section fuselage

Aircraft Mission Design Series:

A-6e

Material:

Aluminum alloy 7072

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
