Overall Length:

3.000 inches

Aircraft Location:

Seal-wing, inboard vent box, access opening

Aircraft Mission Design Series:

C-141

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
