Overall Length:

2.310 inches

Aircraft Location:

Gusset-skin support, nose cowl

Aircraft Mission Design Series:

C-141

Material:

Titanium uns r50700

Material Specification:

Ams4901 national specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
