Aircraft Location:

Flap nonactuator bay fairing

Aircraft Mission Design Series:

C-141

Special Features:

C/o of -103, -104 supports

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
