Overall Length:

8.000 inches

Aircraft Location:

Stub-longeron, support, forward cowl

Aircraft Mission Design Series:

C-141

Material:

Steel comp 632

Material Specification:

Ams5520, annealed national specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
