Aircraft Location:

Angle-frame support, forward cowl

Aircraft Station Number:

Pps97.7

Aircraft Mission Design Series:

C-141

Material:

Titanium uns r50700

Material Specification:

Ams4901 national specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
