Overall Length:

1.700 inches

Overall Width:

1.500 inches

Aircraft Location:

Sidewall closure, engine fairing

Aircraft Mission Design Series:

F-15

Material:

Titanium alloy

Material Specification:

Mil-t-9046, type 3, comp c, annealed military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-t-9046 spec.
