Overall Length:

2.950 inches

Overall Width:

1.300 inches

End Application:

Hh-60h, search and rescue helicopter

Hole Quantity:

4

Aircraft Location:

Window

Aircraft Mission Design Series:

Hh-60h

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-225/9 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
