Overall Length:

23.000 inches

Overall Width:

17.000 inches

Thickness:

0.040 inches

Aircraft Mission Design Series:

E-3a

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
