Overall Length:

13.000 inches

Overall Width:

7.000 inches

End Application:

Aircraft, hercules c-130

Aircraft Location:

Fuel line

Aircraft Mission Design Series:

C-130

Special Features:

1800 gallon fuselage tank

Height:

0.080 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
