End Application:

Aircraft, prowler, ea-6b

Side For Which Designed:

Left side

Aircraft Location:

Boarding platform

Aircraft Mission Design Series:

Ea-6b

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
