Overall Length:

84.000 inches

Overall Width:

11.000 inches

Material Thickness:

0.160 inches

Side For Which Designed:

Right side

Aircraft Location:

Upper wing root

Aircraft Mission Design Series:

F-16c/d

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4-t62 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
