Overall Length:

21.000 inches

Overall Width:

12.000 inches

Material Thickness:

0.020 inches

Aircraft Location:

Outer wing

Aircraft Mission Design Series:

C-17

Special Features:

Strip-rubbing, access door, lwr outer wing

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
