Overall Length:

7.050 inches

Overall Width:

2.500 inches

Material Thickness:

0.050 inches

Aircraft Location:

Sill, cover-wing/fus, lwr fs587.060to fs602.280

Aircraft Mission Design Series:

F-15e

Special Features:

Heat treated to 2024-t62

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
