End Application:

Helicopter, chinook

Aircraft Location:

Leading edge fairing aft pylon

Aircraft Mission Design Series:

Ch-47

Special Features:

Rivet flush and nutplates

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-200/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
