Overall Length:

30.160 inches

Overall Width:

4.675 inches

Material Thickness:

0.360 inches

Side For Which Designed:

Right side

Aircraft Location:

Doubler-wing, rib, shoulder

Aircraft Mission Design Series:

F-15e

Special Features:

Aircraft cum1&up; nha 68a112116

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
