Overall Length:

8.300 inches

Overall Width:

5.000 inches

Material Thickness:

3.500 inches

Side For Which Designed:

Right side

Aircraft Location:

Reaction control system

Aircraft Mission Design Series:

Av-8b

Material:

Titanium alloy

Material Specification:

Mil-t-9046ab-1, cond anld military standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800

Mil-std (military Standard):

Mil-t-9046 spec.
