Aircraft Location:

Rotary wing

Aircraft Mission Design Series:

H-46

Special Features:

Mfg describes item as forging - blade attach fitting - rotary wing, composite

Material:

Steel

Material Specification:

Sae 4340 bms 7-250 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
