Overall Length:

5.600 inches

Overall Width:

5.000 inches

Material Thickness:

0.100 inches

Aircraft Location:

Wing

Aircraft Mission Design Series:

C-17a

Special Features:

Door assembly, close out-slat no.2

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
