**End Application:**

F-111 airplane

**Aircraft Location:**

Removable fairing n0-6, upper wpf

**Aircraft Mission Design Series:**

F-111

**Special Features:**

Heat treat per t-81

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/4 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
