Aircraft Location:

Ceiling

Aircraft Station Number:

326.96 to 387.95

Aircraft Mission Design Series:

Sh-60f

Special Features:

Components include angle 1, cover 2, support assembly 1, door assembly 2, hinge asst 2, bond assembly 1, seal 2

Material:

Glass fiber

Material Specification:

Ss9231 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
