Aircraft Location:

Right hand side panel

Aircraft Station Number:

293.00 to 309.00

Aircraft Mission Design Series:

Sh-60f

Special Features:

Components include nutplate assembly 3, seal 8, panel assembly 2, padl 1, bond assembly 1

Material:

Glass fiber

Material Specification:

Ss9231 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
