End Application:

Hc-130h cargo aircraft

Hole Quantity:

5

Side For Which Designed:

Both sides

Aircraft Location:

Aft cargo door assembly

Aircraft Mission Design Series:

Hc-130h

Special Features:

Forward roller bracket

Material:

Aluminum alloy

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
