End Application:

Hc-130h

Aircraft Location:

Aft cargo door

Aircraft Mission Design Series:

Adc

Special Features:

Brackets used to attach flare launcher

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
