**Overall Length:**

6.970 inches

**Overall Width:**

3.100 inches

**Material Thickness:**

0.050 inches

**Aircraft Location:**

Oxygen converter

**Aircraft Mission Design Series:**

F-16c/d blk 50

**Special Features:**

Converter base support

**Height:**

2.100 inches

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/4-t62 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
